PebbleCreek Singles Club History

The PebbleCreek Singles Club (PC Singles) was started in September 1997 by 20+ active single adults. The group envisioned a need for a vehicle that would allow singles the opportunity to get together and enjoy the activities sponsored by the PebbleCreek active adult community as well as functions exclusive to active "**single**" adults. Since that auspicious beginning, the PC Singles Club has added over 160 additional men and women, bringing the roster to over 170 in 2008.

In 2006, for the first time in our history a male was elected to the position of President. This was followed in 2008 by the election of another male as president. This certainly points toward diversity in the organization, one that embraces all single adults, both male and female, who reside in PebbleCreek.

The PC Singles Club offers a wide variety of social, cultural and sporting events. The intention is to offer a variety that will appeal to everyone in the organization. This includes such events as seasonal parties, concerts, line dancing, dinner theatre, golf, bocce, river rafting, trips, monthly lunches, dog races, baseball games and a host of other activities including interaction with other singles groups.

We welcome all PebbleCreek single adults to join us in some of our activities to see what a vibrant, fun loving group we have become. We hope that all singles that live in PebbleCreek join us at one of our monthly meetings. The meeting is an opportunity to meet other single individuals and find out about all of the exciting events that are being planned. The meeting, held at 3 o'clock on the first Sunday of each month, usually lasts an hour and is followed by a social hour. Meetings are held in the PebbleCreek Tuscany Falls Clubhouse's Ballroom. After the social hour many of the members join together for dinner at one of the local restaurants.
